About Us

Established in 1968,
Penrith Baseball club has a deep history
in the local community .

The largest junior club in the Greater Western region,
Penrith Baseball is home to over 150 junior players over Summer,
and nearly 150 senior players across the entire year.

The Club continues to focus on community and development and
has enjoyed many successes, including being awarded Junior Club
Champions, again, in 2020/21.

In the Adult Metro competition, Penrith Baseball always commands
a strong presence and competes in the prestigious Women's State

As we prepare for the new season, we are looking
to build more community partnerships through
our sponsorship programs.

Why Sponsor Us?

Sponsoring Penrith Baseball Club provides brand exposure across the entire club, as well as across the Greater Western Region.

For the club, sponsorships allow us to continue to provide our local community with a financially viable club focused on development and growth. Sponsorship funds are used to provide safe and up to date playing equipment, trophies and awards, improve playing fields and pay for the hire of the fields.

Sponsorships also allow us to subsidise registration and uniform costs ensuring baseball is achievable for everyone in our community.
